

MEET YOUR TEACHER

Ms. McCarthy

ABOUT ME

Hello! My name is Ireland McCarthy and I am your kiddo's 2nd grade teacher! This will be my second year teaching! I taught Kindergarten last year at CVA. I currently live in Windsor with my new puppy, Alibi. I attended the University of Wyoming where I received my Bachelors degree in Elementary Education with a concentration in Creative Arts.

Important Information

I will be teaching to the second grade Common Core State Standards (e.g., algebraic thinking, number operations, reading, writing, etc.) Our principal, Michelle Saller, will be sending out weekly newsletters that include important dates and reminders for the upcoming week. I will be sending out monthly newsletters that include what we will be learning for the month. Grades will be posted at the end of each trimester, they are on a 1-4 scale. I will be discussing your child's progress at parent teacher conferences. I will definitely contact you immediately if I notice that your student is struggling either academically or behaviorally.

FAVORITES

Running, Playing with my
pup

Contact Information

Please contact me with any questions or concerns that you may have. Please allow me 24 hours to respond to emails. We are also using Classroom Dojo this year and I have already invited everyone to sign up. This is where you can see daily updates about your kiddo. This is also another form of communication with me.
